

Robotic 3D Printer

Industries & Laboratories

Key Benefits

- High Production Uptime
- Short Cycle Times
- Harsh Production Environment
- Flexible Integration & Production
- Consistent Parts Quality

Specifications

- Handling Capacity : 5 Kgs
- Axis : 6
- Software : RobotStudio
- Controller : IRC5
- Robot Control Software : RoboWare
- Manipulator Weight : 54 Kgs
- Protection Standard : IP67
- Maximum Axis Speed : 60 - 190°/sec
- Reach : 3.5 m
- Axis 6 : 220°C to -220°C
